Cavaletti NewNet
Cavaletti NewNet Soft

Cavaletti NewNet

The NewNet line offers the unique experience provided by the mesh backrest. Developed to continuously adapt to the curvature of the spine and provide greater support, this material also provides better natural ventilation when in use. NewNet Soft is the result of the union of the double membrane mesh with the flexibility of colors and coatings materials, combining the ergonomics provided by the mesh with the variety of finishes of an upholstered chair, in a sophisticated and unique design.

NOTE: Product in this image and on the cover of this catalog with Amber Orange Grid coating (361)

CHARACTERISTICS

ACCESSORIES
Headrest option available for models 16001 and 16501.
