Cavaletti Raya

Cavaletti Raya

Everything is movement.
And in environments of constant flux, everything needs to flow.

red

Cavaletti Raya transfers lightness and softness thanks to its high-tech fabric and brings warmth through its contours, welcoming spaces, not as collaborative and shared spaces demand. With 5 mesh color combinations and 11 structure color options, it composes spaces with a lot of style and personality.

FEATURES

Cautech Rays with the possibilities of customization and mesh brings versatility to spaces, while referring to the comfort we seek in an armchair.

Customizable

There are 11 frame color options, 5 combinations mesh colors and 14 seat color options using Up coating.

COMPOSITIONS

Mimic Mesh

Also known as 3D KMC, the Mimic Mesh is a weaving 3D, which significantly reduces cutting, sewing and waste generation.
