Cavaletti Vélo

Cavaletti Vélo

Dynamism, agility and speed are essential in the contemporary corporate environment. For him, Cavaletti created the Vélo Line, a product inspired by the concepts of flexibility and lightness to offer ergonomics and dynamic comfort for all types of use. A global project, with original design. Made in Brazil.

Cavaletti partner since 2011, Marc Sapetti was born in Andorra and graduated in industrial design in Barcelona. In the following years he worked in relevant offices in Europe, culminating recently with the creation of his own office. Today, Sapetti Design Consultancy is a multi-award winning studio, including IF Awards (Cavaletti Go) and Good Design Award (Cavaletti Idea). For Marc, "Design is not just a product, but the sum of different factors such as engineering, communication, design and ergonomics".

CHARACTERISTICS

HEADREST

With generous dimensions, it offers greater support for the cervical region. Contact area with Soft Touch PU foam coating.

Mechanism

4-stage Synchro mechanism with three example tension adjustment or SRE MC Mechanisms, both with adjustment of seat depth. Raising platform option for Meeting Room SRE.

SEAT

Seat is injected foam, with depth adjustment (operating models). Gas Height Adjustment. Coverings available in Polyester, Puffex, Blend, Grid, Grack, Haver, Space, GED-Gelly, Vinyl and Natural Leather.

BASES

Base options in Aluminium or Nylon with 30mm casters in Nylon or PU.

BACKREST

High backrest on all versions. Adjustable lumbar support (operating models). Available in Light Gray and Carbon colors. Padded cover option in Polyester, Blend, Puffex, GED-Gelly or Natural Leather.

MESH

High-strength intelligent meshwork that adapts to column curvature providing constant support and ventilation. Available in six unique colors.

ARMREST

2D armrest adjustable in height and lateral spacing, with option of coating the armrest in leather and 3D adjustable in height, advance and angle of the PU supports.

STRUCTURES

Fixed structures with casters or wheels, with or without integrated armrest (S). Finishing in Silver or Universal Black.
