

Lano Wood LS-19601WS

Lano Wood is a high-quality wood back auditorium seating surfaced with a high-density, painted plywood. The back and seat is cold-moulded high-resilient foam for optimal comfort. This is matched with a hardwood armrest and wooden end panel.

- Plywood outerback and seat pan
- Cold-molded foam for optimal comfort
- Hardwood armrest with wood veneer finish
- Strong steel structural support with wooden end panel
