

MARKANT

Fetch

Designed for the following trends and needs

MARKANT

Welcome to Fetch

Fetch is a multifunctional seating bench on wheels that offers more than just a place to sit. Thanks to its smart design, integrated power outlets, and versatile add-on options like a desk surface, whiteboard, or TV screen, it transforms any space into a flexible working and meeting environment.

All Fetch elements come equipped with power connections and cables, so you can jump right into presentations, brainstorming sessions, meetings, or individual work. Mobility, adaptability, and functionality combine in this innovative piece of furniture, ensuring every space is used to its full potential.

- Make Your Space Extremely Flexible with Fetch
 - Switch from presenting to a group to small group discussions in an instant.
 - Go from a video presentation to a brainstorming session in a snap.
 - Transform a meeting room into a workspace in no time.
- Link multiple Fetch units together to accommodate a larger team.

'It's about the way you work'

A fundamental element capable of altering its form at any time.

Fetch

Main functional forms and applications

Fetch is a core functional part that can be transformed into any form. A single product can be matched with different accessories and table tops to achieve different functions.

With the Keystone framework as the core, the built-in power supply/cable management capabilities provide the basic power for interconnection. With the cushion, it supports rest and leaning. With the whiteboard and display stand, it supports sharing and remote collaboration. With the low cabinet, it supports storage and display. With large and small desktops, it supports work and social interaction. With casters and handles, it supports movement and storage.

From personal leisure charging to team assault tasks, it can provide flexible support to meet the needs of knowledge sharing, sitting and leaning, standing discussion, social meetings, and team collaboration.

" At Markant, we create a
healthy and productive space
where you want to work. "

Modular

The Fetch cart can carry accessories such as writing boards, screens, and TVs. It breaks free from the constraints of time and place, allowing work to move with people and making creative sharing more intuitive and versatile.

Fetch

Different heights, various sitting positions, playing ways / combination are all creating an interesting and relaxing environment.

Bar

Teams can form flexibly according to different environments/occasions to suit different scenarios. The curved footrest design makes it more comfortable no matter which position you sit or stand in.

White board

Carrying two SOURCE whiteboards on the front and back, with the help of wheels, it can be easily used as a support device for temporary discussions or as a screen partition.

TV stand

Kylinc's superb flexibility and resiliency allow it to be combined with TVs up to 50 inches..

Meeting table

The modular design allows Fetch to be easily switched into a conference table format, and an optional wiring box is available on the tabletop to facilitate power supply during meetings.

Workstation

When Fetch transforms into a staff workstation, it becomes a mobile charging station, locker, and partition that can be used anytime, anywhere.

Suitable for quiet and active

The adjustable feet make it easy to adapt to different ground surfaces. Large, movable wheels offer both stability and smooth, quick movement. A cloth handle adds convenience and flexibility for easy maneuvering.

Cable Management

Two small white cable boxes are included for neat cable storage. Two adjacent Fetch units can be quickly connected via male and female plugs, ensuring easy setup. Additionally, excess cable can be neatly stored in the winding space behind the end cap, keeping your setup tidy and mobile.

Multifunctional writing table

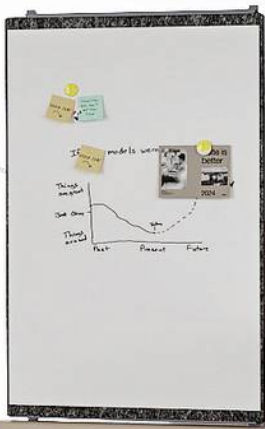

The writing table is adjustable and rotates 360°, providing versatile use. It features a steel plate connection at the bottom for high strength and durability. A hook at the base is designed for easy hanging bags or clothes.
