

A person is seated at a wooden desk, working. They are holding a smartphone in their right hand and have their left hand resting on the desk near a laptop. On the desk, there is a spiral-bound notebook with a green highlighter, a white coffee cup on a saucer, a glass of water, and a car key. A large glass carafe of water is also on the desk. The background is a blurred view of greenery through a window.

MARKANT

MOx Pro

The facility desk

MOx Pro

With MOx Pro, Markant introduces an exceptionally intelligent and contemporary furniture range. Clean, businesslike and technically perfectly executed. With the floating desktop and a slender base the MOx Pro obtains its refined look. The symmetrical interplay of lines between the worktop and the undercarriage provides structure and peace of mind on the work floor.

MOx Pro fits perfectly in a dynamic working environment. The nature of the organisation and the activities that take place there have a major influence on the final choice of furniture. MOx Pro allows an infinite number of office configurations, team workstations and meeting tables are put together. Due to this wide applicability, the entire office can be furnished with MOx Pro. This creates a homogenous image in the office.

MOx Pro always offers a suitable solution.

Design MOx Pro

The bases of MOx Pro, the 4-leg is made of a high quality steel tube profile of 60 x 30 mm. This profile gives MOx its tough and industrial look. The base is constructed entirely from mono-materials, making MOx highly recyclable at the end of its life cycle.

- › Quick assembly
- › Easy to adjust
