SHAPE OF SPACES

## ANOTHER SCREEN AT STAR CINEMA, ABU DHABI

Furniconcepts proudly furnishes yet another state-of-the-art theatre screen in Abu Dhabi, enhancing futuristic cinematic experiences with premium seating, elegant interiors, and unmatched comfort for moviegoers.

### MEETING PODS OF ALL SIZES FOR ALL YOUR DISCUSSIONS

Engineered for privacy, comfort, and productivity, they create focused spaces within dynamic office environments.

## OUR INTERNATIONAL TEAM AT THE MOTORSPORT DUBAI AUTODROME

## A $3 BILLION INDIA - UAE AGREEMENT

India signed a $3 billion LNG deal with the UAE during President Sheikh Mohamed bin Zayed's visit, aiming to boost trade, energy security, and defence cooperation.

# ANOTHER SCREEN AT STAR CINEMA, ABU DHABI

Furniconcepts has successfully completed the furnishing of yet another theatre screen at Star Cinema, Abu Dhabi, further reinforcing its reputation as a trusted partner in premium cinema seating solutions across the UAE. The newly installed screen reflects a seamless blend of comfort durability, and contemporary design, elevating the overall movie-going experience for audiences.

The project features ergonomically designed, plush red theatre seats arranged in a perfectly tiered layout to ensure unobstructed viewing from every angle. Each seat is crafted for long-lasting performance, offering superior cushioning, integrated armrests, and optimal spacing to maximize comfort during extended screenings. The vibrant upholstery complements the bold interior aesthetics of the auditorium, creating a visually striking yet welcoming ambiance.

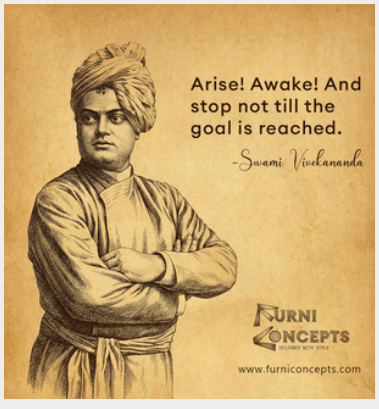

With meticulous attention to detailing, acoustic compatibility, and spatial planning, FurniConcepts has once again delivered a theatre environment that meets international standards. This latest installation at Star Cinema highlights the company's continued commitment to innovation, quality craftsmanship, and customer satisfaction in the entertainment and hospitality sectors.

I have been part of this team for a short while, and every day has brought something new to learn. Working with numbers and details has helped me stay organized, take responsibility, and grow steadily. Each task makes the journey enjoyable.

## NATIONAL YOUTH DAY 12TH JANUARY 2026

# MEETING PODS OF ALL SIZES FOR ALL YOUR DISCUSSIONS

In today's fast-paced workplaces, privacy and productivity go hand in hand. Furniconcepts introduces Meeting Pods of All Sizes for All Your Discussions - a smart, stylish solution for modern offices. Designed to fit seamlessly into corporate environments, co-working spaces, and collaborative hubs, these pods create quiet zones without the need for permanent construction.

From compact single-person phone booths to spacious multi-seater discussion pods, each unit is crafted with superior acoustic insulation, ventilation systems, integrated lighting, and ergonomic seating. The sleek glass panels and contemporary finishes enhance the aesthetics of any workspace while ensuring functionality and comfort.

Whether it's a confidential client call, a brainstorming session, or a quick team huddle, Furniconcepts' meeting pods provide the flexibility businesses need. Easy to install and relocate, they offer a cost-effective way to maximise office efficiency while maintaining privacy.

# A $3 BILLION INDIA - UAE AGREEMENT

India signed a $3 billion agreement to purchase liquefied natural gas from the United Arab Emirates, becoming the UAE's largest LNG customer, as leaders of the two nations met to deepen trade and defence cooperation. The deal was concluded during a brief two-hour visit to India by UAE President HH Sheikh Mohamed bin Zayed Al Nahyan , who held talks with Prime Minister Narendra Modi. Both the leaders committed to doubling bilateral trade to $200 billion within six years span and establishing a strategic defence partnership to strengthen the bond for future endorsement.

# FURNICONCEPTS STRENGTHENS MARKET WITH NITROCARE'S PREMIUM HOSPITALITY

Known for delivering high-quality workspace and commercial interiors, the company now extends its expertise into advanced healthcare environments with a focus on innovation, durability, and patient-centric design.

The portfolio includes technologically advanced hospital beds, examination couches, ICU solutions, and mobility equipment engineered to meet global healthcare standards. Designed with precision and ergonomic efficiency, these products prioritize patient comfort, caregiver convenience, and longterm reliability. The integration of intelligent features, robust construction, and hygienic materials ensures suitability for hospitals, clinics, and specialized care centers.

By aligning with Nitocare, Furniconcepts strengthens its ability to serve the evolving demands of modern healthcare infrastructure. The partnership reflects a commitment to delivering comprehensive solutions that blend functionality with thoughtful design. As healthcare facilities increasingly seek dependable, high-performance equipment, Furniconcepts positions itself as a trusted provider capable of supporting critical environments with world-class products.

This strategic expansion not only broadens Furniconcepts' market footprint but also underscores its dedication to quality, innovation, and excellence across every sector it serves.

# OUR INTERNATIONAL TEAM AT THE MOTORSPORT DUBAI AUTODROME

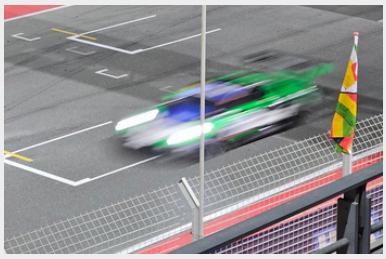

The Furniconcepts team experienced an electrifying day at the Dubai Autodrome, immersing themselves in the adrenaline and precision of world-class motorsport. The roar of engines and the intensity on track reflected the very values that drive the brand's design philosophy.

A special cheer goes to Ajith Kumar Racing, whose focus, discipline, and fearless determination inspired everyone present. Alongside other remarkable racers, he made the event unforgettable. Much like racing, exceptional design demands precision, performance, and the

courage to push limits—an experience that truly fueled the team's creative passion. Beyond the thrill, the event served as a reminder that excellence is built on teamwork, strategy, and relentless commitment. The high-energy atmosphere strengthened bonds within the team, reinforcing their shared vision to innovate boldly and deliver outstanding design solutions with confidence and precision.

## BUILDING TOMORROW : INSIGHTS FROM THE 2026 ECONOMIC SUMMIT

Proud to be part of the Chennai Economic Summit 2026, hosted by The Southern India Chamber of Commerce and Industry and Industrial Economist Magazine, with support from the Government of Tamil Nadu State Planning Commission on

10th January 2026. As Chennai rises as a hub of industry and innovation, the summit unites key stakeholders shaping its future. Furniconcepts reaffirms its commitment to designing workspaces that enhance productivity, comfort, and sustainable business growth across evolving commercial ecosystems.
