FURNICONCEPTS FURNITURE LAB OPENS IN CHENNAI

The month of May marked a major milestone for Furniconcepts with the successful inauguration of the new Furniture Lab in Chennai. Located at the Southern India Chamber of Commerce & Industry (SICCI), the experience center was officially opened on 1st May 2026 in the presence of industry leaders, architects, designers, clients, and business associates.

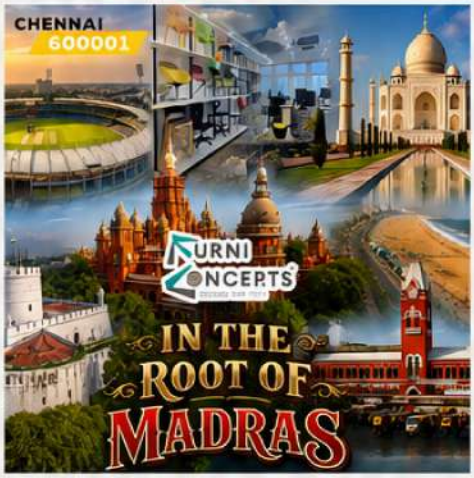

Designed to inspire innovation and collaboration, the Furniture Lab showcases modern workspace solutions, ergonomic furniture, and commercial interior concepts for the future of work.

FURNICONCEPTS RECEIVES PRESTIGIOUS ICV CERTIFICATE

Furniconcepts proudly received the In-Country Value (ICV) Certificate, recognizing the company's commitment to quality, innovation, local economic growth, and impactful commercial furniture solutions across the UAE.

IN THE ROOT OF MADRAS

A special campaign celebrating the heritage, culture, architecture, and design legacy of Chennai. The journey connects the rich history of George Town and Madras with the modern creativity and innovation showcased through the Furniconcepts Furniture Lab.

FURNITURE INDUSTRY INSIGHT

EXPERIENCE CENTERS ARE RESHAPING FURNITURE BUYING

Modern customers increasingly prefer hands-on experiences before making furniture investments. Experience centers and furniture labs allow businesses, architects, and end users to explore products, ergonomics, finishes, and workspace solutions in real-world environments, driving better decision-making and stronger customer engagement.

FURNICONCEPTS FURNITURE LAB OPENS IN CHENNAI

A NEW DESTINATION FOR INNOVATION, COLLABORATION & DESIGN EXCELLENCE

We are delighted to announce the successful inauguration of the new Furniconcepts Furniture Lab in Chennai, India, officially opened on 1st May 2026.

The new Furniture Lab is located at the prestigious Southern India Chamber of Commerce & Industry (SICCI), Esplanade Road, George Town, Chennai – the heart of heritage and commerce.

The inauguration ceremony was graced by **Mr. Palaniappan Ampa**, Owner of AMPA group, as our Chief Guest, along with distinguished industry leaders, architects, designers, business associates, clients, and well-wishers.

The Furniture Lab is designed as a dynamic experience center that brings together functionality, ergonomics, aesthetics, and technology. From modern office furniture to customized commercial interiors, every product and solution reflects our commitment to style, quality, and innovation.

The new center will serve as a hub for architects and designers, enabling them to explore innovative workspace solutions, materials, finishes, and customized layouts that enhance productivity and well-being.

This milestone reinforces our vision of transforming workspaces, educational institutions, healthcare facilities, hospitality projects, and commercial interiors through thoughtful design and world-class furniture solutions.

We extend our heartfelt thanks to everyone who contributed to making this event a memorable success.

We look forward to welcoming you to the Furniconcepts Furniture Lab – a place where ideas meet design, and spaces inspire excellence.

FURNICONCEPTS RECEIVES ICV CERTIFICATE

RECOGNITION FOR QUALITY, INNOVATION & LOCAL ECONOMIC CONTRIBUTION

We are proud to announce that Furniconcepts has officially received the prestigious In-Country Value (ICV) Certificate.

This achievement recognizes our unwavering commitment towards quality, innovation, and creating impactful commercial furniture solutions that contribute to the local economy and support national growth initiatives in the UAE.

The ICV certification reflects our continuous efforts in strengthening local partnerships, developing in-country talent, sourcing responsibly, and delivering high-quality furniture that meets international standards.

A heartfelt thank you to our amazing team, partners, and clients for being part of this journey. This milestone inspires us to aim higher, innovate further, and create better spaces for a better tomorrow.

THIS RECOGNITION REPRESENTS OUR FOCUS ON:

- Supporting local economy and communities
- Maintaining world-class quality standards
- Driving innovation in workplace solutions
- Building strong partnerships for a sustainable future

OUR CONTINUOUS JOURNEY

GROWTH & EXPANSION
Strengthening our presence across the UAE and India with innovative workspace solutions.

INNOVATION & DESIGN
Delivering ergonomic, stylish, and intelligent furniture that enhances productivity and well-being.

QUALITY & SUSTAINABILITY
Committed to responsible manufacturing and sustainable materials for a greener future.

CUSTOMER COMMITMENT
Creating spaces that inspire, connect, and empower people to do their best.

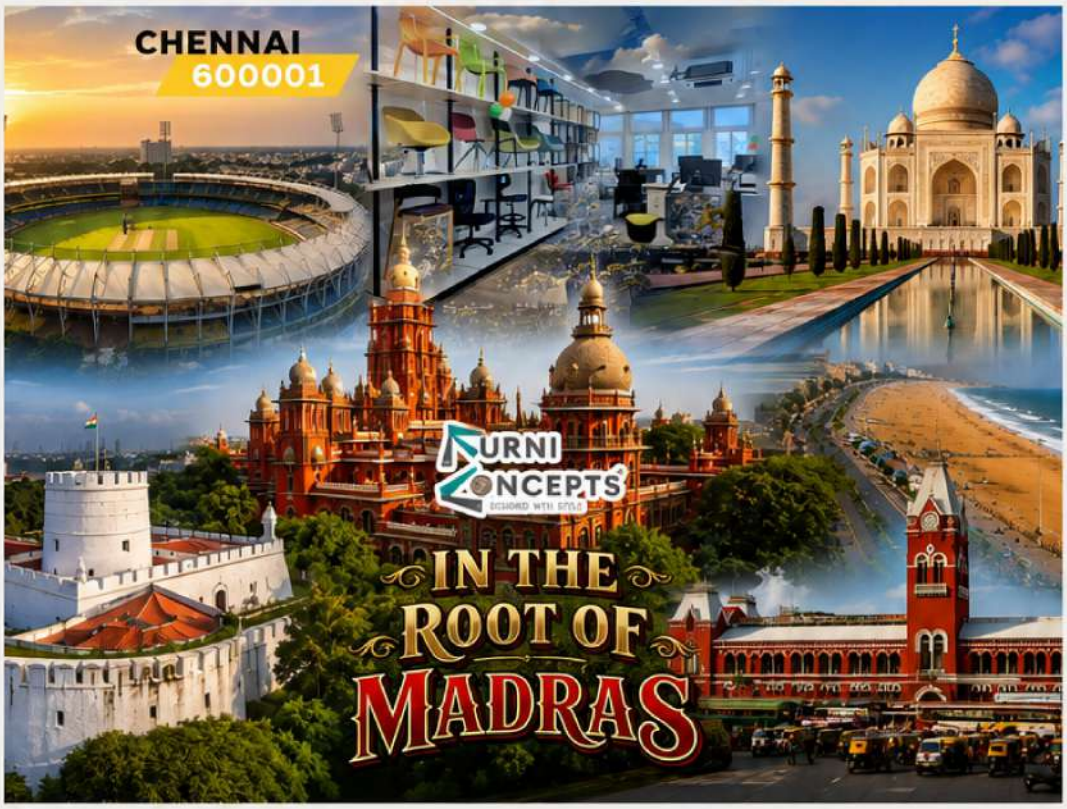

> The ICV Certificate is a testament to the trust our clients place in us and the dedication of our team. We will continue to deliver exceptional furniture solutions that create meaningful and productive spaces.

FURNI CONCEPTS® DESIGNED WITH STYLE

IN THE ROOT OF MADRAS

A journey through the heritage, architecture, and culture of Chennai – where history meets modern creativity and design excellence.

From the historic streets of Madras to the modern creativity of Chennai – this journey is more than just history... It's a story of culture, craftsmanship, innovation, and timeless design.

Step into the heart of George Town and discover how Chennai evolved through trade, architecture, and iconic landmarks.

And hidden within this vibrant city lies a true design destination at **The Southern India Chamber of Commerce and Industry** – our new Furniture Lab **Furniconcepts**.

CONNECTING HERITAGE WITH MODERN WORKSPACES

George Town, the historic commercial core of Chennai, is home to architectural marvels, vibrant markets, and timeless stories. Today, that same spirit of craftsmanship and enterprise inspires the spaces we create.

At Furniconcepts, we blend tradition with innovation to design workspaces and interiors that are functional, inspiring, and future-ready.

CHENNAI HERITAGE HIGHLIGHTS

ICONIC LANDMARKS

From the majestic High Court to the colonial-era buildings, Chennai's landmarks reflect a rich architectural legacy.

GEORGE TOWN STORIES

Bustling bazaars, traditional trades, and cultural diversity that continue to shape the city's identity.

DESIGN INSPIRATIONS

Heritage inspires innovation. We translate tradition into **contemporary workspace** and interior solutions.

OUR COMMITMENT

Through our Furniture Lab, we are committed to creating spaces that honor the **past** and **embrace the future.**

> Chennai's legacy of enterprise and excellence continues to inspire us every day. Our Furniture Lab is a tribute to this remarkable city and its people.

FURNIJOURNAL

SHAPE OF SPACES

On this Labour Day, we celebrate the dedication, hard work, and passion of every individual who contributes to building a better tomorrow. Thank you for being the strength behind every great space we create.

To all the amazing mothers – thank you for your love, support, and endless inspiration. You create beautiful spaces in our hearts every day.

FURNITURE INDUSTRY OUTLOOK 2026

The furniture industry is evolving rapidly, shaped by new work styles, conscious design choices, and technological advancements. Here are the key trends driving the future:

ERGONOMICS LEADING THE WAY

Ergonomic furniture continues to be a priority as organizations focus on employee well-being, productivity, and long-term health.

HYBRID WORKSPACES REQUIRE FLEXIBILITY

Businesses are investing in flexible furniture solutions that adapt to hybrid work models, collaboration, and agile environments.

SUSTAINABLE MATERIALS GAIN MOMENTUM

Eco-friendly materials, responsible manufacturing, and sustainable designs are influencing buying decisions across commercial and residential sectors.

SMART FURNITURE & TECHNOLOGY

Integration of smart features, modular designs, and innovative materials is redefining how furniture supports modern work and life.

STRONG MARKET GROWTH AHEAD

The global office furniture market is projected to grow steadily, driven by infrastructure development, corporate expansion, and increased design awareness.

FURNICONCEPTS VISION

We are committed to creating innovative, sustainable, and people-centric spaces that inspire productivity, comfort, and meaningful connections.

DID YOU KNOW?

- The global office furniture market is expected to reach **USD 89.6 Billion** by 2030.
- Over 70% of companies plan to invest more in workplace design and furniture.
- Sustainability is now a top 3 priority for furniture buyers worldwide.
- Ergonomic furniture can improve employee productivity by up to 17%.

Every milestone is a reflection of our team's passion, our partners' trust, and our clients' belief in us. As we continue to grow, we remain dedicated to designing spaces that inspire greatness and stand the test of time.

– Team Furniconcepts

THANK YOU

FOR BEING A PART OF OUR JOURNEY.

Together, we create better spaces.
